SOLO SINGING COMPETITION

VIDEO RECORDING GUIDELINES

- **Quality:** You may use a video camera or a phone camera provided that the resolution is sufficiently high. Sound quality is important and should not be distorted.
- **Editing:** Editing and enhancing of the audio / video is strictly prohibited. You may, however, clip the videos so that the leading and trailing silences are not very long.
- **You must record the song using a single camera, in a single take and from a fixed position.**
- We leave you to choose what angle you want for your video. It should have your face in focus. Use the knowledge that the video is primarily to ensure authenticity of the recording.
- Please use some kind of a mount for the recording device, such as a tripod, to ensure that the image is completely still and do not change its position during the recording.
- Make sure that no external voices are heard on the recordings and please do not say anything in your recordings.

VIDEO UPLOAD GUIDELINES

- Ensure that each participant will send only 1 song within the time of 3 mins.
- You may upload files in any standard video format that is playable on VLC Media Player without the need to download a special code.
- Uploading videos can take time, so please do not leave it for the last minute.
- Last date for submission of the video is **20 November 2020**.
- **Upload link will be shared after registering your participation.**
